COVER LETTER

The CIAC Board of Control directed the Boys' Basketball Committee to re-evaluate the present tournament structure and to address various issues and concerns raised by member school principals, athletic directors, coaches and the public, especially the issue of manipulation of schedules to gain an unfair advantage. As a result, the CIAC Boys' Basketball Committee and tournament director Robert Cecchini proposed to the CIAC Board of Control a new format for the 2006-2007 Boys' Basketball Tournament. This format will be continued in 2011-2012

Under the current format the tournament classes (LL, L, M, S) will be established using the following criteria:

1. Enrollment – boys enrolled in grades 9, 10, 11, 12 as of October 1, 2010.
2. Enrollment with a multiplier of 2 x boys enrolled in grades 9, 10, 11, 12 for State defined schools of choice (except vocational technical and vocational agriculture/aquaculture high schools) and all member tuition high schools. Choice programs that are housed in a member school where the out-of-district students attending the choice program participate in athletics at the member school are subject to the multiplier for the out-of-district students.
3. A weighted factor* for schools that advanced to the semi-finals or finals in the State Tournament **over the past four years**. Points earned will be added to the school's base enrollment.

*** Factor (over the past four years)**

- 10 points added each time a team reaches the semi-finals
- 25 points added each time a team reaches the finals
- 50 points added each time a team won the championship

Tournament classes will be distributed after enrollment (plus factor) is determined. **A team may "opt-up" to the LL tournament for a one year period.** Request to move up must be received in writing by October 28, 2011. Classes (L, M and S) will not be re-balanced if schools opt to move up.

The CIAC Board of Control approved the recommendations of the boy's basketball committee at their June 2006 meeting.

4. Officials are allowed to be assigned to a team only once from the qualifying through semi-final rounds. In the finals, an official who has officiated a qualifying, first or second round game for a team, **may be assigned** to officiate a finals that involves that team.

Semi-final victors will be allowed **one additional scratch** of an official from the tournament list of officials.

5. For tie break procedures please see 9.1 in tournament packet.

- 5.2 A team shall forfeit a game or games if through a violation it is required to do so under the CIAC Rules of Eligibility.
- 5.3 A team shall forfeit a game if the game official declares the game a forfeit as a result of a National Federation rule violation, or a team refuses to play after being instructed to do so by the game official.
- 5.4 Forfeitures will be honored by each CIAC sports committee when there is mutual agreement between the principals of the two schools involved in the game not played. Each principal must submit on the official CIAC Canceled Game - Forfeiture Form his/her decision and it must be received in the CIAC office within 72 hours following the time of the scheduled contest. On the eve of a tournament when there is not sufficient time for normal administrative procedures (72 hours) if a question of team forfeiture arises the Executive Director or his designee, in consultation with the Chairman of the sports committee affected and the principals of the two schools will make an appropriate ad hoc decision in consideration of the best interests of the tournament as a whole.
- 5.5 All games listed on the original schedule and submitted to the CIAC which are not played and have not been forfeited in accordance with this policy will be considered by each sport committee as No Contest and shall not count for tournament qualification and ratings unless it affects the minimum number of games required to qualify for tournament participation. In this instance the sport committee shall review the evidence submitted by the teams involved and may grant an exception from the minimum game number requirement. The minimum winning percentage as determined by the individual sports committee must be met under all circumstances.
- 5.6 Member schools must make every effort to complete their season as scheduled, including make-up games. Any effort to gain an advantage in tournament play by not playing a game is unacceptable and is subject to action by the CIAC Board of Control Cancellation of any regular season contest / make-up to play in a league tournament will not be allowed.

7.2 **Decisions by Game Officials** -- Protests arising from the decisions, interpretations and misapplication of the National Federation or CIAC game rules by officials during the contest will not be considered. The decisions and interpretations of the rules by the officials are final.

9.0 **RANKING WITHIN CLASSES**

9.1 Teams will be ranked within classes by winning percentage (number of games won divided by the number of games played). When two or more teams have the same winning percentage, the following steps will be used to break the ties:

e. When **only two teams are tied** at a percentage:

1. **Most Wins** – (ex. 10-10 is a higher rank than 9-9)
2. If a tie remains, head-to-head competition will be used.
3. If a tie remains power rating will be used. Each school is assigned a power rating based on the divisions, qualifying status and records of the school(s) that they beat. Win vs LL tournament qualifying schools = 10 points; vs L tournament qualifying schools = 8 points; vs M tournament qualifying schools = 6 points; vs S tournament qualifying schools = 4 points; vs non-qualifying team in any division with six or seven wins = 3 points; vs non-qualifying school with less than six wins = 1 point. Total points will be added and divided by number of games played to determine the school's rating.
4. If a tie remains, the team with most wins in highest classification will be the higher ranked team.
5. If a tie remains, the higher ranked team will be determined electronically by lot using computer assigned random tiebreaker numbers to be set at the start of the season (the team with the higher tiebreaker number will be the higher ranked team).

f. When **three or more teams are tied** at a percentage:

Note: the steps below will be applied only once for each percentage which has three or more teams. The steps will not be reapplied to attempt to change the rankings of teams which played head-to-head that end up in positions next to each other after the tie has been broken.

1. Most wins (i.e. 10-10 is a higher rank than 9-9).
2. If a tie remains power rating will be used, calculated using the method listed in 9.1(a)(3) above.
3. If two teams have the same number of wins and power rating and one of those teams holds an advantage over the other in head-to-head competition the team holding that advantage will be the higher ranked team. Note: if three or more teams are tied in power rating, head-to-head will not be used at any point in breaking that tie.
4. If a tie remains, the team with most wins in highest classification will be the higher ranked team.
5. If a tie remains, the higher ranked team will be determined electronically by lot using computer assigned random tiebreaker numbers to be set at the start of the season (the team with the higher tiebreaker number will be the higher ranked team).

9.2 **Pairings** -- The pairings will be made as follows:

<u>First Round</u>	<u>Second Round</u>	<u>Quarter-finals</u>	<u>Semi-finals</u>	<u>Finals</u>
1 vs 32				
16 vs 17	1 vs 16			
8 vs 25		1 vs 8

9.3 If fewer than 32 teams qualify, the higher ranked teams will draw byes for the first round.

If 33 teams	If 34 teams	If 35 teams	If 36 teams
32 vs 33	32 vs 33	32 vs 33	32 vs 33
	31 vs 34	31 vs 34	31 vs 34
		30 vs 35	30 vs 35

9.5 A TEAM MAINTAINS ITS INITIAL PERCENTAGE RANKING THROUGHOUT THE TOURNAMENT.

9.6 ***Final ranking and pairing information will be distributed to coaches on the CIAC web site by Wednesday, February 29, 2012 by 2:00 p.m.***

9.7 **League Playoffs** -- League playoff games **SHALL NOT BE COUNTED** for tournament qualification or rating.

10.0 **SUPERVISION / SPORTSMANSHIP**

10.1 Players and coaches disqualified in a game will be required to serve the additional penalty as outlined in the CIAC Regulation on "Disqualification".

The school administrator should identify him/herself to the site director.

10.3 When a member school's coach is ejected from a game for an infraction as prescribed by the rules, the game may not continue until the member school replaces the ejected coach with a certified coach. If this cannot be accomplished within 15 minutes after the ejection, the official in charge will declare a forfeit win for the opposing team.

10.4 Use of tobacco products or possession of alcoholic beverages of any kind, including champagne, are not permitted in the gymnasium. The principal or his/her designee at the game shall see that this rule is enforced and adhered to by the teams.

10.5 **Conduct and Good Sportsmanship** -- We especially request that all school personnel -- administrators, faculty, and coaches -- give definite emphasis to the good sportsmanship so that students will conduct themselves in a manner that will reflect nothing but credit upon your school. Any unsportsmanlike conduct on the part of students or adults is unacceptable. We are the guests of the site school, and as guests we may want to be invited back. (See Appendix F)

10.6 **Signs, Noisemakers, Balloons Forbidden** -- Please stress to pupils over your public address system the regulation that the use of confetti, signs, banners, placards, balloons and streamers is DEFINITELY NOT ALLOWED at tournament games. Bugles, horns, drums, whistles, or other noisemakers contribute nothing to the game and are a genuine source of annoyance to spectators. **THEY WILL NOT BE PERMITTED, AND ANYONE RESPONSIBLE FOR SUCH ANNOYANCE WILL BE ASKED TO LEAVE THE GAME.**

- All requests for corrections must be submitted on a support ticket via the online eligibility center. No phone request will be considered.

11.8 **TOURNAMENT REGULATIONS VIOLATIONS**

If a school fails to comply with tournament regulations and such requires the CIAC tournament sports committee, central office staff, or the CIAC Board of Control to redo any portion of the tournament pairings or such non-compliance adversely impacts the management of the tournament, an administrative violation fee of \$500 will be imposed upon the school before entry into the tournament will be allowed.

11.9 **Towels** -- Shall be furnished by the participating teams.

11.10 **Solicitation of Funds / Selling T-shirts, Etc.** -- Solicitation of funds or selling merchandise for any purpose at any of the tournament games is prohibited unless permission to do so is given by CIAC. **CRITERIA TO BE USED FOR SELECTION OF SITES FOR
QUALIFYING, FIRST ROUND, SECOND ROUND AND QUARTER-FINAL GAMES**

2012 BOYS BASKETBALL TOURNAMENT
Home Sites -- Qualifications and Neutral Sites Criteria

The home site qualification form and neutral sites criteria must be submitted via the password-protected online eligibility center by January 23, 2012. If athletic directors have questions -- please contact Jiggs at (860) 658-4362 or at CIAC office (203) 250-1111.

FAILURE TO SUBMIT THIS FORM MAY COST YOU A FIRST ROUND, SECOND ROUND OR QUARTER-FINAL GAME.

Boys Basketball Quarter-finals will be determined by:

- Tournament Director reserves the right to select a neutral site based on previous experience with schools involved throughout the tournament.
- Seating capacity per division
 - Class S - 500
 - Class M - 600
 - Class L - 700
 - Class LL - 800
- Schools have the opportunity to find a neutral school in their area if their site does not meet the criteria.
- Play at their opponent's site if their capacity meets CIAC standards.

SELECTION METHOD FOR CIAC BASKETBALL OFFICIALS

1. In January each CIAC school is required to submit a list of eight (8) officials from its board (the board which assigns its home games) who, in his opinion, would be competent to officiate tournament games. In addition, the school is asked to submit the names of two (2) officials from other boards whose abilities are of tournament caliber. Failure to comply with this requirement will result in the loss of a school's privilege to delete names from the master list between February 29 and March 5.
2. Ballots are tabulated and a complete list of officials is compiled, along with numbers of votes received by each official.
3. This list is presented to the CIAC Advisory Committee on Officials for study and input. The Advisory Committee consists of the commissioners from officials boards that have one or more officials who have received sufficient votes to participate in the tournament, and the Assistant Tournament Director.
4. A list of approximately 75 of the most competent officials in Connecticut (based on the votes of coaches) is established. The list must be sufficiently large to accommodate the number of games scheduled for any tournament date, in addition to those officials who are not available due to prior commitments.
5. The number of officials selected from each board is based on the percentage of schools each board serves, relative to the total number of CIAC schools in CIAC basketball.
6. The list of tournament officials is prepared and presented to participating coaches on the CIAC web site at the time of the announced pairings. Coaches will be allowed to delete the names of NO MORE THAN TWO (2) OFFICIALS whose services they would prefer not to have. Coaches must use the CIAC web site to delete officials. Deadline: Monday, March 5, 2012, 7:00 p.m. This information will be considered in making assignments for second round, quarter-final, semi-final and final games.
7. "Teams" of officials will be selected from within each board. In assigning officials for all tournament games the Assistant Tournament Director will normally select from a "neutral board" when competing teams come from **different board representation**. If both competing teams are from the **same board**, officials from that board **may be assigned**. The Assistant Tournament Director retains the authority to assign from **any** board in the event of extenuating circumstances.
8. All assignments will be made by the Assistant Tournament Director. Identity of officials assigned to games will not be disclosed prior to games.
9. In accordance with action taken by the Basketball Committee, **three (3)** officials will be assigned to the quarter-finals, semi-finals and finals of all boys basketball games. There will be no alternate officials. In the interest of the game, the assistant director may assign three (3) officials for selected first or second round games.
10. Officials are allowed to be assigned to a team only once from the qualifying through semi-final rounds. In the finals, an official who has officiated a qualifying, first or second round game for a team, **may be assigned** to officiate a final that involves that team.

Semi-final victors will be allowed **one additional scratch** of an official from the tournament list of officials.

APPENDIX D

2011 CIAC BOYS BASKETBALL TOURNAMENT
SELECTION OF TOURNAMENT OFFICIALS

The officials form must be submitted via the password-protected online eligibility center by February 6, 2012.

The 2011-12 Boys Basketball Committee has adopted the format for the selection of officials for tournament games as outlined in the enclosed communication. Please read it carefully.

To assure that we obtain the most qualified board certified officials, each coach is **required** to:

- a. Submit a complete officials ballot, **regardless of your win-loss record**;
- b. Indicate the names of two (2) certified officials outside your own board who, in your opinion, are of tournament caliber;

NOTE: * If you lack sufficient knowledge about "outside" board officials, please leave those spaces blank.

DO NOT ADD OFFICIALS FROM YOUR BOARD.

* For schools who are serviced by more than one board, restrict your votes to those boards.

* Vote for only those officials who are **currently** working boys high school games.

To be fair to fellow coaches and officials, we should continue to strive for total involvement of all schools in the selection of officials. Please give this your serious and prompt attention.

***** IF YOU FAIL TO SUBMIT A BALLOT YOU WILL LOSE THE PRIVILEGE OF DELETING NAMES FROM THE TOURNAMENT LIST. *****

APPENDIX E

2012 BOYS BASKETBALL ENTRY FORM Sponsored by IGA, Subway and Mohegan Sun (Limited to Members of the Conference)

1. Tournament rosters must be submitted via the password-protected online eligibility center by February 28, 2012.
2. Entry fee of \$100 must be mailed to the CIAC office, 30 Realty Drive, Cheshire, CT 06410.

If a school needs an invoice in order to pay its tournament fee, one can be downloaded by using the "Generate Tournament Invoice" link under the boys basketball options in the password-protected online eligibility center.

3. Report all varsity games won or lost with member schools, out-of-state schools, or American School for the Deaf. Date of last game to count is Tuesday, February 28, 2012. Scores of games played should be reported as soon as they are completed via the password-protected eligibility center or the "submit scores" area of the CIAC web site (schools must set up an access code to allow coaches to submit scores). Schools are strongly encouraged to submit scores of games throughout the season as they are played, so that we may provide accurate rankings on the web site as the season progresses. Games played with out-of-state schools must have been reported to Dr. Karissa Niehoff, Executive Director for investigation and rating not later than December 12, 2011. Out-of-state games not reported by this date may count as losses for tournament purposes.

Member schools must make every effort to complete their season as scheduled, including make-up games. Any effort to gain an advantage in tournament play by not playing a game is unacceptable and is subject to action by the CIAC board of control. Cancellation of any regular season contest / make-up to play in a league tournament will not be allowed.

4. Each school will be allowed not over fifteen (15) boys in uniform. There cannot be any alternates or substitutes to the original list of fifteen submitted. (DISREGARD OF THIS RULE MAY MEAN AUTOMATIC DISQUALIFICATION.)
5. EACH PLAYER LISTED MUST BE ASSIGNED A NUMBERED UNIFORM FOR BOTH **WHITE** AND **DARK** JERSEYS. Also list his GRADE LEVEL in school and HEIGHT.
6. The PRINCIPAL of the participating school is responsible for the knowledge, distribution and implementation of the CIAC Crowd Control Regulations which appear in the CIAC Handbook.
7. THE HIGHER RANKING TEAM SHALL WEAR WHITE JERSEYS. THE ORIGINAL RATING ASSIGNED TO A TEAM WITHIN ITS ENTIRE STATEWIDE DIVISION WILL BE MAINTAINED THROUGHOUT THE TOURNAMENT.

Always have alternate jerseys available. In cases of similarity of colors, the lower ranking team will wear color assigned by the site director.

CERTIFICATION:

The school principal certifies that the individuals listed on the Official Tournament Entry Form have satisfied the State Health Statutes, CIAC and local regulations regarding physical examinations.

APPENDIX F

CIAC BASKETBALL TOURNAMENT

SPORTSMANSHIP STATEMENT

To be read on the public address system by the captains at all CIAC 2012 Basketball Tournament Games:

To be read by the Home Team Captain:

*“Welcome to tonight’s game between _____ and the _____

learn the principles of sportsmanship, fair play, and respect for others. Tonight we ask for your enthusiastic
support for these important principles as you root for your respective team.”*

To be read by the Visiting Team Captain:

*“We also ask that you support the student-athletes from both participating schools by honoring our request to
treat all the players, coaches and officials with courtesy and respect. Thank you and enjoy tonight’s game.”*

Recommendation:

The sportsmanship statement should be read before all regular season games.

APPENDIX G

CONNECTICUT INTERSCHOLASTIC ATHLETIC CONFERENCE 2011-12 BOYS BASKETBALL TOURNAMENT

Memorandum to All Site Directors and Competing Schools

The Connecticut Interscholastic Athletic Conference appreciates the use of your facilities and the following is offered with the idea of assisting those who have been designated as Site Directors. The close observance of these suggestions will make for a smooth-running tournament and will bring satisfaction and enjoyment to all.

THE SITE DIRECTOR – In order to operate one of its most important programs the CIAC has selected competent school personnel to take complete charge of the games in the basketball tournament. The site director is entirely responsible for the particular game assigned to his/her school; he/she is the direct representative of the organization and, more specifically, of the Basketball Committee and the Tournament Director. While the site director obviously cannot do all the work him/herself, it is his/her responsibility to engage such competent personnel as may be needed to see that the program is conducted successfully. However, site directors are requested to be realistic regarding the hiring of personnel. Site directors will have to use their best judgment depending on anticipated attendance. Only adults should be assigned to the positions of timer and scorer, and the scorer must be reminded to get from each team the name and number of each squad member as well as the five starting players. It is most advisable to have a hand operated clock(s) on hand and expert scorers in the event that the electrical clock and/or scoreboard become inoperative. Serious violations of CIAC policy or worthwhile recommendations on the part of participating schools should be reported in writing to the Tournament Director immediately after the game. **ALL EXPENSES WILL BE PAID DIRECTLY FROM CIAC OFFICE.** Return all proceeds of ticket sales and all expenses incurred to CIAC office. Remind officials that they have complete charge of the actual playing of the game. **RETURN UNSOLD TICKETS, INCOME, EXPENSES AND FINANCIAL REPORT TO CIAC OFFICE AS SOON AS POSSIBLE AFTER GAME IS PLAYED.**

TELEPHONE SCORES OF GAMES IMMEDIATELY – Every site director knows full well that in order to operate a successful tournament, things should move smoothly and rapidly. This is particularly true when it comes to making pairings and selecting sites for the next game, and as a consequence we must know as soon as possible the results of all games – which team won, and the score. We are, therefore, asking each site director to **TELEPHONE (COLLECT)** the results of each game immediately at the conclusion of the contest. This is a very important responsibility and we ask your full cooperation. Tournament Director Jiggs Cecchini's telephone (860) 658-4362.

OPENING CEREMONY –

1. Arrange for playing the National Anthem before the start of each game.
2. Draft a short memo to be read to the spectators before each game which will include: Important crowd control regulations such as prohibition of horns, whistles, etc., as well as the encouragement of good sportsmanship.

SUPERVISION OF LOCKER ROOMS – Provide for supervision in each team's locker room before, during and after the game in order to prevent vandalism of facilities or theft of personal property.

OFFICIALS – The game officials will be assigned by the CIAC, and they will take complete charge of the actual playing of the game itself. Officials should be met at the door, escorted to their locker rooms before and at the conclusion of the game, and escorted to their cars when they are ready to leave. Officials will be paid directly by CIAC. All other operational details are the responsibility of the site directors. Please provide parking for officials close to the entrance of the gym.

PRESS – Adequate publicity and favorable public relations are necessary in the operation of any tournament, and in this connection the CIAC appreciates the work and contribution of a fine group of people who bring accounts of our individual games to the public. Consequently, we are asking our site directors to see that newspaper writers and radio sportscasters are treated courteously and supplied with as good accommodations as are possible consistent with the facilities available. Members of the press will, upon proper identification, be admitted to any game. Newspaper reporters who are actually covering the game should be provided a seat at a table in the press box or "on the floor," or at least where spectators will not be jumping up and down, blocking their view.

STRINGERS – Some large newspapers which cover many regional games in one evening send out part-time reporters (stringers) who do not carry press passes. The newspaper, through the head of the sports department, should notify the site director the afternoon of the game, that one of these “stringers” will be at the game that evening. When he has properly identified him/herself, admit him/her and provide a place at the press table. If he brings a guest, assign this person to a seat in the stands. Do not accept for admission white tickets which merely indicate that the holder is a member of the Sports Writers Alliance.

TELEPHONE – If at all possible, at the conclusion of the game, try to make telephones available so that a reporter can call his game in to his newspaper if he/she has to make an important deadline.

COMPLETION OF FINAL REPORT – IMPORTANT – A very important responsibility of the site director is the completion of the final financial report of each game. Kindly make a separate report for each contest; use one copy of the form enclosed with tickets as a work sheet and send one copy to the Tournament Director, CIAC, 30 Realty Drive, Cheshire, CT 06410, as soon as possible after the game. If the report can be typewritten, it will be appreciated. Honoraria will be mailed to site directors by the CIAC as soon as all tournament financial reports are in the hands of CIAC.

All tickets will be numbered and the site director should carefully indicate on his/her report the “starting number” and the “next unused number.” The difference between these two figures should indicate the actual number of tickets sold. (There is a tendency to forget that the printed numbers of tickets are inclusive.)

CONNECTICUT INTERSCHOLASTIC ATHLETIC CONFERENCE

CONCUSSION MANAGEMENT AND RETURN TO PLAY REQUIREMENTS

“WHEN IN DOUBT – SIT IT OUT”

A concussion is a type of traumatic brain injury or (TBI), “that changes how the cells in the brain normally work. A concussion is caused by a blow to the head or body that causes the brain to move rapidly inside the skull. Even a “ding,” “getting your bell rung,” or what seems to be a mild bump or blow to the head can be serious. Concussions can also result from a fall or from players colliding with each other or with obstacles, such as a goalpost” (Centers for Disease Control and Prevention, 2009).

PART I -- SIGNS AND SYMPTOMS OF A CONCUSSION

– A concussion should be suspected if any one or more of the following signs or symptoms are present, or if the coach/evaluator is unsure.

1) Signs of a concussion may include (what the athlete looks like):

- Confusion / disorientation / irritability
- Trouble resting / getting comfortable
- Lack of concentration
- Slow response / drowsiness
- Incoherent / slurred speech
- Slow / clumsy movements
- Loss of consciousness
- Amnesia / memory problems
- Act silly / combative / aggressive
- Repeatedly ask same questions
- Dazed appearance
- Restless / irritable
- Constant attempts to return to play
- Constant motion
- Disproportionate / inappropriate reactions
- Balance problems

2) Symptoms of a concussion may include (what the athlete reports):

- Headache or dizziness
- Nausea or vomiting
- Blurred or double vision
- Over sensitivity to sound / light / touch
- Ringing in ears
- Feeling foggy or groggy

Note: Public Act No. 10-62 requires that a coach MUST immediately remove a student-athlete from participating in any intramural or interscholastic athletic activity who (A) is observed to exhibit signs, symptoms or behaviors consistent with a concussion following a suspected blow to the head or body, or (B) is diagnosed with a concussion, regardless of when such concussion or head injury may have occurred.

PART II – RETURN TO PARTICIPATION (RTP)

– Currently, it is impossible to accurately predict how long concussions will last. There must be full recovery before someone is allowed to return to participation. Connecticut Law now requires that no athlete may resume participation until they have received written medical clearance from a licensed health care professional (Physician, Physician Assistant, Advanced Practice Registered Nurse, Athletic Trainer) trained in the evaluation and management of concussions.

Concussion management requirements:

1. No athlete SHALL return to participation (RTP) on the same day of concussion.
2. Any loss of consciousness, vomiting or seizures the athlete MUST be immediately transported to the hospital.
3. Close observation of an athlete MUST continue following a concussion. This should be monitored for an appropriate amount of time following the injury to ensure that there is no escalation of symptoms.

4. Any athlete with signs or symptoms related to a concussion MUST be evaluated from a licensed health care professional (Physician, Physicians Assistant, Advanced Practice Registered Nurse, Athletic Trainer) trained in the evaluation and management of concussions.
5. The athlete MUST obtain written clearance from one of the licensed health care professionals mentioned above directing them into a well defined RTP stepped protocol similar to one outlined below. If at any time signs or symptoms should return during the RTP progression the athlete should cease activity*.
6. After the RTP protocol has been successfully administered (no longer exhibits any signs or symptoms or behaviors consistent with concussions), final written medical clearance is required by one of the licensed health care professionals mentioned above for them to fully return to unrestricted participation in practices and competitions.

Medical Clearance RTP Protocol (Recommended one full day between steps)

Rehabilitation stage	Functional exercise at each stage of rehabilitation	Objective of each stage
1. No activity	Complete physical and cognitive rest until asymptomatic. School may need to be modified.	Recovery
2. Light aerobic activity	Walking, swimming or stationary cycling keeping intensity, <70% of maximal exertion; no resistance training	Increase Heart Rate
3. Sport Specific Exercise	Skating drills in ice hockey, running drills in soccer; no head impact activities	Add Movement
4. Non-contact training drills	Progression to more complex training drills, i.e., passing drills in football and ice hockey; may start progressive resistance training	Exercise, coordination and cognitive load
5. Full Contact Practice	Following medical clearance, participate in normal training activities	Restore confidence and assess functional skills by coaching staff

* If at any time symptoms should return during the RTP progression the athlete should stop activity that day. If the athlete’s symptoms are gone the next day, s/he may resume the RTP progression at the last step completed in which no symptoms were present. If symptoms return and don’t resolve, the athlete should be referred back to their medical provider.
