2025 Championship Entry Registration Now Uses Athletic.net

As announced previously by the CIAC, all entries for the CIAC Division and Open Championships will use Athletic.net using procedures noted in the following pages.

- *All CIAC schools who have entered as having a team or individual for this year's CIAC Indoor Track and Field Division Championships must have Athletic.net accounts for each head coach and an Athletic Director account.*
- *Schools are also responsible for ensuring that their Athletic.net roster of student-athletes exactly matches their eligibility roster sent to the CIAC including correct first and last name, grade and gender.*
- *Also note that the CIAC Division Championships will require a verifiable entry in a regular season event during the current indoor track season that has official results for all competitors and teams competing in that event and is posted on Athletic.net.*

Please see the additional **Athletic.net Tutorials for CIAC Indoor Track and Field Teams** guidance available included in this document and at the Meet Info page at each CIAC Divisional Championship meet in Athletic.net.

2024 BOYS / GIRLS INDOOR TRACK INFORMATION

1.0 DIVISIONS

In order to more nearly balance the number of competitors, the divisions have been changed based on both the October 1, 2023-24 boys and girls – grades 9-12 enrollment as well as the actual number of participants in the 2023 state meets.

Boys		Girls
LL Division – 714 and over		LL Division – 671 and over
L Division – 528 - 713		L Division – 527 - 670
M Division – 305 - 527		M Division – 336 - 526
S Division – Up to 304		S Division – Up to 335

A listing of tournament divisions are available on the indoor track page at ciacsport.com

In order to allow teams which have boys and girls in different divisions the Committee voted to “allow teams that have boys and girls in different classes to have the option of moving from the smaller class to the larger class.” This will permit schools to keep both boys and girls in the same class. IF YOU WISH YOUR SMALLER DIVISION TEAM TO MOVE TO THE HIGHER DIVISION TO KEEP BOTH TEAMS IN THE SAME CLASS THIS MUST BE SUBMITTED BY DECEMBER 6, 2024 TO BOTH THE CIAC AND THE TWO MEET DIRECTORS INVOLVED.

B. **ENTRY POLICIES**

Schools may enter only those contestants who have met the minimum standards for the 2024-25 indoor track season. Each school may enter only one (1) team per relay event. Adjustments to relays may be made based on scratches.

Coaches have the option of entering an athlete in as many as six (6) events, three (3) individual and as many as three (3) relays. The athlete may compete in only three (3) of those events.

For all relays, coaches must list four probable runners and should declare up to four probable alternates during their Athletic.net registration. Once at their Class meet, relay teams must report with signed declaration sheets of the four actual competitors and up to four actual alternates from their Athletic.net team roster when called to the clerk of course. Relay declaration sheets will be available at the check-in prior to the Class Championships.

Any coach who changes a contestant and uses an alternate on a relay for the State Open must report to the clerk of course to attest to the alternate runner's eligibility. Changes in original order are allowed.

The Relay Declaration Sheet used in the CIAC Class Championship will determine those eligible to compete in the CIAC Open Championship. As a relay team advances to the next level of state competition, only those runners and alternates whose names are checked in the "include" column on the declaration sheet will be eligible to compete in that relay event.

An "entered" athlete becomes a competitor when he/she reports to the clerk for a running event or the field judge for a field event to check-in. Once an athlete has "checked in", he/she "has competed" and that event counts as one of the allowed three (3) events.

An athlete who competes in three (3) events, even if he/she did not qualify in any of them, in a Class meet is then "frozen" for those same three in the "State Open". They cannot compete as an alternate for any relay. Any athlete who competes in fewer than three (3) events in a Class meet can compete in the Open as an alternate if listed as such on the Declaration Sheet which was submitted at the "Class Meet".

- A coach may not scratch an athlete and assign that athlete to a relay if he/she ran three (3) events (even if he/she did not qualify to advance in one) in the Class Championship and is also listed as an alternate on a relay.
- Athletes who are listed as alternates, may run only if they ran two (2) events or less at the Class meet. They too are limited to three (3) events.
- Class championship meets and the State Open championship for clarification are considered one meet. Advancing to the Open is predicated on performance at the Class meet.
- **Relay competitors may be changed for the New England Championships as long as they meet the three event limitation rule for the day.**

Tournament Regulation Violations – If a school fails to comply with tournament regulations and such requires the CIAC tournament sports committee, central office staff, or the CIAC Board of Control to redo any portion of the tournament pairings or such non-compliance adversely impacts the management of the tournament, an administrative violation fee of \$500 will be imposed upon the school before entry into the tournament will be allowed.

No individual will be allowed entry into Class championship competition unless the school has previously entered that individual in the Athletic.net entry registration by no later than 12:00 Noon on Tuesday, February 11, 2025. The last day to count for establishing verifiable entries is 11:59 p.m. EST on Monday, February 10, 2025.

If coaches have any questions related to rules interpretations or questions concerning entry procedures, the committee urges them to direct those questions to the chairs of the indoor track committee Anna Mahon – mahona@brookfieldps.org or Donn Friedman – luv2rundf@gmail.com .

Any irregularities noted on the online performances reported to the CIAC this season should be reported to Henry Rondon – hrondon@casciac.org – telephone (203) 250-1111.

C. **ENTRY FEE** - \$10 per competitor – a minimum fee of \$100 per team with ten (10) or less competitors. Maximum team entry is \$250.

- 1) **Make check payable to CIAC.** If a school needs an invoice in order to pay its tournament fee, one can be downloaded by using the "Generate Tournament Invoice" link under the boys and/or girls indoor track options in the password protected online eligibility center.
- 2) **Send check to CIAC, 30 Realty Drive, Cheshire, CT 06410.**
- 3) Entrants not listed will NOT be permitted to compete.
- 4) **Please note for the State Open Meet – ONLY entrants who are listed on the previously entered Class state entry list will be allowed to enter without charge. Coaches must print and bring their final entry verification form to validate entrants so that they are not charged.**

4.0 QUALIFYING DISTANCES AND TIMES TO ENTER CLASS AND CHAMPIONSHIP MEETS

To be eligible for CIAC Class Championship competition, each competitor must have achieved the following time, distance or height in a regular season meet. Relay splits or times reported as on-route to a longer distance are not allowed as qualifying standards.

Advancement from the CIAC Class Championship to the CIAC Open Championship is predicated on the competitor's performance in the CIAC Class Championship.

CIAC TOURNAMENT SITE MEDIA POLICY – The CIAC places tremendous value on the role the media plays in promoting and highlighting high school sports. The following are minimum standards, developed in consultation with the CIAC Media Advisory Committee, which should be provided for working media at all CIAC tournament sites:

- 1) A minimum of one hour following the conclusion of post-game interviews to write in the press box, press area or a suitable facility in close proximity to the site of the event (i.e. office, classroom, etc.).
- 2) Access to electric power (shared power strip, etc.).
- 3) Access to wireless internet service.

Site directors should communicate these requirements to any staff person who may be responsible for the administration of the event. If for some reason a site will not be able to provide these items for a contest, a site representative should inform the CIAC in advance and work with the media on-site before the game and work to provide a reasonable solution to the issue. Members of the media who will be covering events are directed to contact the appropriate site as far in advance as possible to inform them they will be at the event and discuss what arrangements will be made for working media at the site.

UNMANNED AERIAL SYSTEMS AT CIAC-SANCTIONED EVENTS – The use of unmanned aerial systems, often referred to as drones, is prohibited for any purpose by any person(s) at all CIAC-sanctioned events. This policy includes not only the restricted playing area of the venue(s), but also the physical confines of the entire stadium / field / arena structure. For the purpose of this policy, an unmanned aerial system is any aircraft without a human pilot on board.

SCRIMMAGES - Teams must have a minimum of three (3) days of practice prior to scheduling a full team scrimmage.

All sports teams and individual athletes must have a minimum of ten (10) physical/exertional practice days with their school before the date of the first scheduled competition. No team/athlete shall practice/compete with their school more than six (6) consecutive days to provide a day of rest. Saturdays, Sundays, and holidays may be used unless prohibited by local board policy. Sunday practices may be counted to fulfill the 10 day requirement.

COMPLIANCE WITH WEEKLY LIMITATIONS ON OUTSIDE COMPETITION – **Indoor track athletes, with the approval of the school may participate as an “unattached” individual (not representing the school or an outside team) in a maximum of four (4) outside meets per season. The athlete must comply with CIAC weekly limitations.**

- With increased frequency athletes are competing “unattached” in approved “outside” competition over a two or three day period. In most cases where this happens a participant would qualify on the first day and then compete again on the second and/or third day.
- A competitor competing in a one, two or three day outside meet/tournament shall have that meet/tournament count as one of the allowable weekly competitions.
- When a two or three day meet is conducted on both a Saturday and Sunday, a choice may be made as to which week it will count as one of the allowable weekly CIAC competitions. However, for Friday through Sunday events it must count in the week containing the Friday.
- If a one, two or three day outside meet/tournament is conducted within one week, the one charged weekly competition must be counted within that week.
- Track season (indoor and outdoor) – A member of the track team may enter “road races” of three miles and beyond (under road conditions only).
- “Walk-a-thon” events are to be considered non-athletic events which may be conducted at any time by CIAC athletes.

- Track conditions refer to an official track facility designed for the purpose of conducting track events.
- Road conditions refer to events that are conducted only on roads, and do not take on aspects of track events.

CIAC TICKET PRICES – Subject to change depending on venue

Free – Military in uniform or with I.D.

\$5.00 – Students (grades 1-12) and Senior Citizens (age 65 and older)

All ticket sales for CIAC tournament games will be sold and redeemed via digital ticketing.

6.0 2025 NATIONAL FEDERATION TRACK AND FIELD RULE REVISIONS

- 5-7-6** Adjusts the recall distance to within the first 50 meters
Rationale: Starters oversee recalling races in track and field events. 50 meters is sufficient in calling a fair start. Athletes are accelerating and are up to racing speed well before the 100-meter mark. In addition, the current recall distance is problematic depending on the number of officials on the track and location of field events that may obstruct the view of the 100-meter distance around the entire curve.
- 5-10 and 11** Reorganizes Sections 10 and 11 for ease of use.
Rationale: Reorganization of Sections 10 and 11 concerning relay races and infractions. The change moves all infractions into Section 11 (relay infractions) for ease of use by officials.
- 5-13-3** Clarifies how to determine if an infraction occurred when an athlete leaves the track on a straightaway.
Rationale: Provides guidance to the meet referee as to when an athlete leaves the track on a straightaway and whether or not a competitor should be disqualified.
- 6-2-2f (New)** Offers officials guidance when warning competitors their time limit is about to expire.
Rationale: This change gives athletes notification that their time limit is about to expire. Additionally, the change brings officiating practices in line with other rules codes while still giving the games committee options for using flags, signal clock or verbal signals.
- 6-2-2 Chart** Defines field event time limits for all competitors.
Rationale: The change to the table and additions of the notes helps clarify the time limits of all competitors throughout the entire competition in field events.
- 6-3-2 Notes 1** Clarifies the starting height in a jump-off with athletes at varying heights.
Rationale: Aligns language in rules book with current situations and interpretations. Gives directions to officials and event judges for the starting height in a jump-off when athletes exit the event at varying heights due to passes. The jump-off will begin at the next height in the progression after the tying height.
- 6-8-2** Further defines an active flight and continuing flight.
Rationale: The change clarifies the definition of an active flight (five-alive) and continuing flight (straight through) for vertical jump competitions.
- 6-9-22** Establishes a standard placement of the high jump crossbar and standards.
Rationale: The change creates a standard distance for the placement of the high jump crossbar and standards.

7.0 SPORTSMANSHIP / SUPERVISION

SPORTSMANSHIP -- Member schools are expected to conduct their relations with each other at all levels of competition in a spirit of good sportsmanship. The school administration is responsible for the athletic program, including the policies and procedures relating to sportsmanship and the conduct of activities in the school. The CIAC “Class Act” standards will be used in all CIAC contests. The CIAC Standards for Sportsmanship as defined in the Class Act program are found at http://ciacsports.com/site/?page_id=10438

Coaches Disqualification -- All coaches who are disqualified at any level will be suspended for the next two games (see page 104 in the CIAC Handbook), take two NFHS coaching courses (“Teaching and Modeling Behavior” and “Sportsmanship”) and the school will pay a \$50 fine. In addition to the two game suspension and fine, the CIAC reserves the right to review any incident that results in a coach’s disqualification and may assess additional game suspensions up to and including a one-year ban. The fine and proof of taking the coaching courses must be submitted to the CIAC office before the coach can resume his coaching responsibilities.

Sample Relay Declaration Sheet

2025 CIAC Indoor T&F Championships BOYS Relay Declaration Sheet

BOYS DIVISION: LL / L / M / S

Instructions:

1. Designate the four athletes to compete in the relay and up to four alternate athletes from your official tournament Athletic.net team roster. Athletes not on your roster as of the official entry deadline are not eligible to compete.
2. At the Division meet submit the completed sheet to the Relay Clerk at check-in prior to the event. A relay entry only counts towards the participation limit of three events for the athletes who actually participate (compete) in the relay at the Division Meet. Being listed as alternate does not count as an event. *Coaches are directed to review the 2025 CIAC Indoor Track & Field packet for further clarification.*
3. If your relay team qualifies for the State Open, then this sheet will be returned to you. You will then complete the STATE OPEN RELAY LINEUP column by selecting your four (4) competitors from the up to eight that you declared at the division meet on this sheet.

When listing your athletes below, **print** the team and athlete names exactly as they appear in your official team entry roster for this meet. Do not use nicknames or other abbreviations not in your team roster.
