CAPITOL CONNECTIONS:

A Networking Event for School Leaders & Lawmakers

Join us at the Legislative Office Building for a unique opportunity to connect with legislators and fellow school leaders to discuss the pressing issues impacting K-12 education in Connecticut. This event will facilitate meaningful conversations between policymakers and principals, ensuring that the voices of those leading our schools are heard. With a brief opening session followed by informal networking, attendees will have the chance to engage directly with lawmakers, share insights, and advocate for the needs of their schools and communities.

** On March 19 at 4 PM, we will host an optional 30-minute Zoom session to share key strategies for effective engagement with legislators.*

9:00-9:15 AM
