Collaborative Goal Planning

Join administrators from other districts and get a jump on strategic school development and goal planning for 2024-2025. Collaborative goal planning sessions will include opportunities to:

- Reflect on and draft school improvement plans
- Explore methods to effectively engage partners in the school improvement process
- Gain a deeper understanding of the 2023 leader evaluation and support process
- Generate professional learning strategies in alignment with school goals
- Meet the professional learning requirement (per Section 5 of Public Act 23-159) to effectively engage personnel with school goals

Program Fees

\$199 per person

Fees include workshop supplies & materials, breakfast & refreshments.
