

IN-DISTRICT FACILITATED TECHNICAL ASSISTANCE FOR IMPLEMENTATION of the 2023 CTEVAL GUIDELINES

**We invite you to participate in
facilitated in-district support!**

The CT State Department of Education (CSDE), RESC Alliance and CAS are providing in-district facilitation to support the implementation of the Connecticut Guidelines for Educator and Leader Evaluation Guidelines 2023 (CTEVAL Guidelines 2023).

This in-district Facilitated Technical Assistance is offered at no cost and is designed to meet the needs of districts and their Professional Development and Evaluation Committees (PDECs) in the implementation of the 2023 CTEVAL Guidelines as represented in your 24-25 Evaluation and Support plans. District support may address the following topics:

Implementation of Evaluation and Support Plans
1. Non-Negotiables and Best Practice in Evaluation and Support
2. Implementing your Evaluation and Support Plan for 24-25
3. Developing Effective Feedback for Growth and Success
4. Understanding and Implementing Best Practice in High-Leverage, Evidence Based Goal Setting and Professional Learning Plans for Leaders and Educators
5. Culturally Responsive Practices in Evaluation and Support
6. Ensuring an Effective PDEC: Roles, Responsibilities, Systems and Structures
7. Essentials for Professional Learning: Understanding the alignment of Professional Learning Standards in Competencies
8. Best Practices in Evaluating Professional Learning Impact

Complete the Google Form Link Below to request technical support.

REQUEST FOR IN-DISTRICT TECHNICAL SUPPORT 2024-2025

Thank you for your interest in the CSDE sponsored Facilitated Technical Assistance. Please complete the Google form by October 1, 2024. Technical Assistance Applications will be reviewed for need, a determined number of days of support and assigned a RESC or CAS facilitator. All applications will be read and responded to by October 30. Once Technical Assistance Applications are approved your assigned RESC or CAS facilitator will contact you to schedule and plan.
