## **Leadershift**

Support and camaraderie are critical when making the shift into the role of school principal! Join **Leadershift**, a community of practice designed specifically to meet the needs of those who are new to the principalship.

Professional learning and discussion topics may include strategies for:

- Budgeting and advocacy
- Mentoring and supervising assistant principals and teacher leaders
- Effectively partnering with critical support staff (secretaries, custodians, etc.)
- Navigating the middle to effectively work with broader community and district partners

### Program Fees

**\$399** per person

*Fees include workshop supplies & materials, professional book for group study, breakfast & refreshments.*
