4. The committee heard an update from the Subcommittee that looked at the new card rules. Discussion was held on each recommendation. The committee approved the first three recommendations. The committee will review the fourth recommendation at the end of the year meeting.

Recommendations

- Remove Yellow Card #22 (Other unsportsmanlike conduct) as an available option for officials to award. This will be explained to coaches as well.
 - Tighten the reporting process from schools to require cards and scores be submitted for every game at the same time.
 - a. Request automated reminders the next morning if scores/cards have not been submitted by schools.
 - Require officials to report details behind the specific card awarded to the coaches at the time the card is issued.
 - We also discussed increasing penalties and requirements for coaches who are DQ'd and who receive a 3rd yellow. We are going to hold off on these as a larger plan is being developed which impacts all sports and includes much of what we discussed.
5. Discuss Two Card Disqualification in Tournament
The committee discussed at length the use of the two card disqualification in the CIAC tournament. The committee passed the following proposal...
Increase in yellow cards from two to three for a game suspension in the CIAC state tournament unless there are two tier one cards which would result in a game suspension.
 6. Qualifying Standard for the Tournament
The committee discussed the qualifying standard for the tournament and will look at the number of teams that qualified in the 2024 tournament before making any recommendation.
 7. Proposal for Weather Delays
The committee read a proposal to standardize the process for weather delays. After discussion, the committee agreed to this proposal if the language was written in a way specific to soccer.
 8. Future Agenda Items
 - Report Back to Committee About Schools on Probation
 - Updated Packet and Divisions
