

# Science of Reading

**AUGUST 12, 2024**

9:00AM-11:30AM

CAS | 30 Realty Drive | Cheshire, CT 06410

Many districts will roll out their new literacy programs in the upcoming school year. Have you created your implementation plan yet? Have your goals been established?

This module is the perfect opportunity to get that work started and collaborate with leader colleagues. With a blend of explicit instruction around best practices in literacy instruction and professional learning you will walk away from this module with a solid foundation of the Science of Reading and the outline of a plan to maximize your implementation.

Ashley Eichorn is the founder of eduFocusPLC, a company that consults with schools to build and leverage systems that empower educators to get the most out of their students. With 17 years of experience in public schools and consulting, Ashley deeply understands best practices in education at the classroom, school, and district levels.
