1.2 DIVISION PLACEMENT REVIEW

The Girls Lacrosse Committee will review the divisional placement of each member team on a yearly basis. If in the committee's review a school is placed in another division the school(s) in question will have an opportunity to appeal the decision to the lacrosse committee upon official request by the principal.

Criteria for deciding the division placement will include, but is not limited to, number of seasons as a varsity sport, number of players on the team and the number of levels (3rd, JV and varsity). The committee shall have the final judgment in determining division placement.

1.3 DIVISION PLACEMENT

CIAC member schools entering the girls lacrosse tournament for the first time may submit a written request to the girls lacrosse committee for Division I or Division II placement by October 15 of that year. If a request is not made by October 15 or the request is made after October 15, the girls lacrosse committee will decide that school's first placement or deny the requested placement.

1.4 DIVISION CHANGE

Schools in Division II may request placement in Division I by making this request to the girls lacrosse committee by October 15 of that season via the password-protected online eligibility center. If the request is approved by the committee the school must remain in Division I for a minimum of two (2) seasons.

Schools in Division I may request placement in Division II by making this request to the girls lacrosse committee by October 15 of that season via the password-protected online eligibility center.

Criteria to be used, but not limited to consider the change:

- Number of players in the program
- Number of years playing a varsity program
- 75% losses for two (2) consecutive seasons
- 50% (or more) losses to Division I teams
- 25% (minimum) losses to Division II teams

2.4 TOURNAMENT SITES

* Playdown and first round games will be played at the home field of the higher ranked teams.

The CIAC Board has adopted the following policy regarding tournament sites:

- * All tournament committees and directors, except football, be instructed to work towards the goal of playing all tournament games starting with the quarter-final round at a neutral site. Only in emergency situations and with the approval of the CIAC staff will higher-ranked team sites be used.
- * All schools will be given the opportunity to offer their school facilities as a neutral site for tournament contests prior to tournaments which could prove to be an advantage in certain circumstances.
- * When a neutral site is not available for a tournament game and the higher-ranked team has offered its site as a neutral site, the contest will be played at the higher-ranked team site. However, if the higher-ranked team has not offered its site as a neutral site prior to the tournament and the lower-ranked team has, then the game will be played at the lower ranked team site. Only if both teams have not offered their sites as neutral sites will the game be played at the site of the higher-ranked team, assuming the facility meets tournament regulations.
- * CIAC established expenses beginning with the quarter-final round will be paid by the CIAC.

Site for both Division I and Division II finals for 2004 -- TBA

2.5 INCLEMENT WEATHER

In the event of inclement weather, the site director has the authority to postpone the game. The site director will immediately notify the tournament director. The postponed game will be played on the next day excluding Sunday. The rain date for the finals would be Sunday, June 12, 2005.

3.0 ENTRY PROCEDURE / QUALIFYING

- 3.1 Schedule Form -- Must be submitted via password-protected online eligibility center by Monday, April 6, 2005.
- 3.2 Tournament Entry Form -- (Game results and roster) -- Must be submitted via password-protected online eligibility center by Friday, May 20, 2005.
- 3.3 Entry Fee -- An entry fee of \$50.00, payable to CIAC, must be mailed to CIAC, 30 Realty Drive, Cheshire, CT 06410.
- 3.4 A Division I or Division II team automatically qualifies for its respective tournament if it has a .500 or better win/loss percentage against CIAC member teams (whether in Division I or Division II). If more than 16 teams qualify, a playdown round will occur. If less than 16 teams qualify, then additional teams with a .400 or better win/loss percentage are added based on a numerical ranking, until a field of 16 teams is reached. Because of possible ties in this ranking, this may result in more than 16 teams, in which case a playdown round will take place.
- 3.5 A minimum of ten (10) games must be played against CIAC member schools to qualify for the tournament.
- 3.6 The USL disqualification rules (18-E and 19-B-2) and CIAC rules shall prevail throughout the tournament for team players and coaches.
- 3.7 Reporting Scores -- Regardless of regular season postponed games, Saturday, May 28, 2005, is the final day to count games for tournament play. **All games played after the entry form has been submitted (see 3.2) must be submitted via the website by Saturday, May 28.**

4.0 **EXPENSES / TICKETS**

- 4.1 Expenses for playdown, and first round games will be borne by the participating teams. The host team will pay game expenses including officials and shall provide the site director -- who should be someone other than the coach.
- 4.2 Schools will bear all traveling expenses.
- 4.3 Host schools may charge admission fees during any playdown, first or quarter-final round game. If an admission is charged, the host school should notify the principal and athletic director of the visiting school in advance. The monies collected may be used by the host school to defray game expenses. Any monies collected will not be sent to the CIAC.
- 4.4 The CIAC girls lacrosse committee will pay all expenses directly associated with the staging of the quarter-final, semi-final and final tournament games.
- 4.5 Charges for admission to the semi-final and final games will be:
 - Free – Children five (5) and under
 - \$5.00 – Senior citizens (age 65 and older)
 - \$5.00 – Students (grades 1-12)
 - \$7.00 – Adults (all others not in the above categories)
- 4.6 During the 2005 tournament, the following passes will be honored at all games where admission is charged.
 - a. CIAC lacrosse coaches pass (lacrosse coaches must request a pass from the CIAC and provide a self-addressed envelope)
 - b. Principal (or designee) and athletic director of the competing schools
 - c. Press Card
 - d. Other complimentary admissions as permitted.

5.0 **FORFEITS / DISQUALIFICATIONS PER CIAC**

- 5.1 A forfeit game shall count as a victory for the team declared the winner and as a loss for the team declared a loser in determining tournament qualification and rating. For tournament qualification, only the following reasons for a forfeit shall be accepted.
- 5.2 A team shall forfeit a game or games if through a violation it is required to do so under the CIAC rules of eligibility.
- 5.3 A team shall forfeit a game if the game official declares the game a forfeit as a result of a U.S. Lacrosse rule violation, or a team refuses to play after being instructed to do so by the game official.
- 5.4 Forfeitures will be honored by each CIAC sports committee when there is mutual agreement between the principals of the two schools involved in the game not played. Each principal must submit on the official CIAC Canceled Game - Forfeiture Form his/her decision and it must be received in the CIAC office within 72 hours following the time of the scheduled contest. On the eve of a tournament when there is not sufficient time for normal administrative procedures (72 hours) if a question of team forfeiture arises the Executive Director or his designee, in consultation with the Chair of the sports committee affected and the principals of the two schools will make an appropriate ad hoc decision in consideration of the best interests of the tournament as a whole.

- 5.5 All games listed on the original schedule and submitted to the CIAC which are not played and have not been forfeited in accordance with this policy will be considered by each sport committee as No Contest and shall not count for tournament qualification and rating unless it affects the minimum number of games required to qualify for tournament participation. In this instance the sport committee shall review the evidence submitted by the teams involved and may grant an exception from the minimum game number requirement. The minimum winning percentage as determined by the individual sports committee must be met under all circumstances.

6.0 OFFICIALS

- 6.1 By Wednesday, May 18, 2005, each varsity head coach is requested to submit a list via the password-protected online eligibility center of six (6) officials who in her/his opinion would be best to officiate tournament games.
- 6.2 The CWLOA assigner will assign USL certified officials for all tournament games, using the Master List of Officials and the modified school list as the source.
- Two officials will be assigned to playdown games.
Three officials will be assigned to the first round, quarter-finals, semi-final and finals.
- 6.3 Identity of the officials assigned games by the assigner will not be disclosed prior to the game.
- 6.4 Only USL certified officials will be used for regular season games to count toward tournament play.

7.0 PROTESTS - CIAC

- 7.1 Each sports committee will establish a protest committee whose purpose will be to adjudicate all protests relating to the operation of the tournament, including the application and administration of tournament regulations. U.S. Lacrosse or CIAC game rule interpretations and judgments by the game officials cannot be protested. The Protest Committee for each sport shall consist of the Assistant Executive Director for CIAC, the Chair of the tournament committee, an administrator member of the sports committee, the tournament director, and the coaches' chair on the sport committee. All Protest Committee decisions are appealable to the CIAC Board of Control as provided in the CIAC by-laws.
- 7.2 On the eve of a tournament when there is not sufficient time for normal administrative procedures and board of control hearings, if a question of interpretation of tournament regulations or the operation of the tournament arises, the chair of the CIAC board of control, the Executive Director of CIAC, and the chair of the tournament committee in question will make an appropriate ad hoc decision in consideration of the best interest of the tournament as a whole.
- 7.3 **Decisions by Game Officials** -- Protests arising from the decisions, interpretations and misapplication of the U.S. Lacrosse or CIAC game rules by officials during the contest will not be considered. The decisions and interpretations of the rules by the officials are final. The record of the official scorekeeper at the conclusion of the contest is final unless an error is discovered. Such error shall be corrected as covered by specific contest rules. Any team leaving the contest area before the conclusion of the contest because of dissatisfaction with the officiating will render the school liable to disciplinary action by the conference.

8.0 RANKING / SEEDING

- 8.1 Teams will be seeded by win / loss percentage. Seeding ties will be broken based on: (1) Head-to-head competition; 2. Record vs common opponent -- highest seed first; 3. By lot.

- 8.2 The win / loss percentage is determined as follows: 2 points are awarded for a win; 1 for a tie; and 0 for a loss. This total is then divided by twice the number of games. For example:
 A record of 8 wins, 2 ties, 6 losses yields a win / loss percentage of 18/32
 A record of 6 wins, 3 ties, 5 losses yields a win / loss percentage of 15/28

- 8.3 Tournament Format (SAMPLE) -- *** Note -- This is a sample format -- The pairings for the first round are contingent on the number of teams qualifying for the tournament. All teams with a .500 or better record will qualify and compete in the tournament if they so choose. (See 8.1) This sample format does not include a playdown round, although there may be one for 2005. ***

- 9.2 When a member school's coach is ejected from a game for an infraction as prescribed by the rules, the game may not continue until the school replaces the ejected coach with a certified coach. If this cannot be accomplished within 15 minutes after the ejection, the official in charge will declare a forfeit win for the opposing team.
- 9.3 Use of tobacco or possession of alcoholic beverages of any kind, including champagne, and all other illegal substances are not permitted on the field of play or within the field or park at which a tournament game is scheduled. The principal or his/her designee at the game shall see that this rule is enforced and adhered to by the teams.

10.0 TOURNAMENT RULES / PROCEDURES

- 10.1 In tournament play, a game suspended before the completion of 80% of the game will be rescheduled and must be restarted from the beginning with the score 0-0. If suspended after 80%, the game will be declared an official game. (Note: for the complete rule please see USL Rule Book.)
- 10.2 CIAC Late Entry / Inaccurate Information Policy -- If a school's game or meet schedule or tournament entry form is late (beyond the established deadlines, but prior to the pairings, seeding or heat meeting), or the information contained on those forms is inaccurate, a late fee of \$50 must be paid before the contestant or team is allowed to participate.

If a school fails to comply with tournament regulations, including deadlines, accurate information and/or any other procedure which requires the CIAC tournament sports committee, central office staff, or board of control to redo any portion of the tournament pairings or which adversely impacts the management of the tournament, an administrative violation fee of \$250 will be imposed upon the school before entry into the tournament will be allowed.

- 10.3 Tournament terminated games will be determined by USL rules.
- 10.4 In tournament play, overtime games will follow the procedure outlined in Rule 11-C of the USL Rule book.
- 10.5 Awards -- Winner and runner-up plaques will be presented at the final game. Each varsity player and coach on the winning and runner-up teams will receive a medallion.
- 10.6 In the event of any situation not covered in these rules, the decision of the tournament committee shall be final.

11.0 RESPONSIBILITIES OF TOURNAMENT SITE DIRECTORS

It shall be the duty of the Site Director to see that the following facilities are available in advance of the start of the game.

- 11.1 The field should be freshly lined, following official dimensions with field markings in agreement with the 2005 USL Rulebook. Each goal (properly padded) should be provided with a playable net.
- 11.2 An experienced scorer and timer will be provided by the Site Director, and a sufficiently large scorer and timer's table with bench or chairs will be made available for the game. **Also, a visible scoreboard is required.**
- 11.3 Suitable timing devices -- the conventional time clock will be available to signal the start and expiration of playing time. If the facility has a scoreboard clock, the clock will remain in use during the entire playing time (25 minutes of each half and all overtime periods).
- 11.4 Sufficient security personnel as may be deemed necessary will be on duty to control the anticipated crowd.

- 11.5 The CIAC will provide athletic trainer/medical services at all semi-final and final games. Home seeded teams shall provide athletic trainer services up through the quarter-final games.
- 11.6 Suitable benches and drinking water should be provided for players. If a request is made, dressing facilities should be provided for any team that has more than fifteen miles to travel.
- 11.7 In the event that a field is absolutely unfit for play because of excessive water, the tournament director should be notified as soon as possible. (After a rain most fields may not be perfectly dry, but yet be suitable for play.)
- 11.8 **The scores of tournament games will be telephoned immediately after the conclusion of the game by the winning coach to the tournament director.**

12.0 RESPONSIBILITIES OF TOURNAMENT COACHES

- 12.8 **During the Game** -- Conduct yourself (and assistants) in a proper manner at all times. Set a good example for your players and followers. Do not engage in theatrics or any unsportsmanship like conduct of any type that might tend to incite fans to behave badly.
- 12.9 **After the Game** -- Escort your team as a group from the playing surface. Make sure nothing is left behind and the area is cleared of trash.
- 12.10 Coaches and officials by the very nature of their positions exert a tremendous influence over the game. This influence on the game must be exerted in a most positive manner by showing complete respect for officials.
- 12.11 Alcohol for celebration (usually brought by spectators) is prohibited. A word from you to your athletes, prior to the game, may be enough to control this situation and avoid embarrassing the team and tainting their achievement.

13.2 During the Game -- Position yourself strategically where the conduct of your coach(es), team and students can be observed. Be alert for any disruptive acts or potential trouble and do all you can to aid the site director in such a case.

2005 GIRLS LACROSSE TOURNAMENT FORMS LISTING

All tournament forms must be submitted via the online eligibility center section of the CIAC website located at <http://www.casciac.org/elig/eligibility.cgi>. This area of the site requires the school's username and password for entry.

Worksheets for collecting the information needed to submit the online forms can be found on the following pages. These worksheets are intended for giving to coaches to provide information for submission to the school officials who will be filing the information online. Under no circumstances will printed forms be accepted in lieu of submissions via the eligibility center.

The following forms must be submitted for the sport of girls lacrosse:

1. Schedule/Results -- Due April 6, 2005
2. Tournament Roster - Due May 20, 2005*
3. Match Results - Due May 20, 2005*&
4. Selection of Officials – Due May 18, 2005

* For these forms, you may find it easier to print out a copy of the actual web form, instead of using the worksheet, since the web form will be filled in with your eligible players and/or game schedule. Any form in the online eligibility center can be printed without being submitted.

& Results must be submitted on a weekly basis (results for all games through a Saturday must be submitted no later than the following Monday).

If schools choose to do so, they may set up access codes which allow coaches to enter game results without having the main school eligibility center password. Access codes can be set up in the online eligibility center by selecting the appropriate option from the "Administrative Actions" menu. Once the code is setup and the schedule is entered in the eligibility center, results may then be entered at http://www.casciac.org/scripts/submit_scores.cgi.
